Authorization for this examiner's amendment was given in a telephone interview with Vincent Shier on 2/23/06.

The application has been amended as follows:

- Claims 23-29 are canceled as a non-elected invention.
- In claim 11, at the end of line 2 and beginning of line 3, the phrase "1 mg to 20 mg" has been changed to --2.5 mg to 6.1 mg --

2. The following is an examiner's statement of reasons for allowance: the amendment to the claims added process limitations that would result in a combination of properties, including oxygen content, that the product of the withdrawn rejection could not have possessed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
